

To Our Fellow Parishioners,

We are excited to present you with the following survey as part of the process in the search for our new Dean. The first phase involves gathering information about 1) who we are as a church community and the direction/vision we want for the future, and 2) what do we need in our new Dean. The information we receive will be used to prepare a portfolio to attract prospective applicants and help us identify the applicant who best matches our needs and vision.

The questions on the survey are presented with the above objectives in mind. Please thoughtfully and prayerfully consider each question and answer them as honestly and openly as possible. We request that each member of your household fill out a survey individually including middle school and older children.

We prefer that you take the survey electronically at the following site: <https://goo.gl/forms/07bUuheckS2EUqXK2>. If, however, you are technically challenged, you may use the enclosed form and feel free to make copies for others in your household. Also, we encourage you to provide additional comments where allowed on the form. Our deadline for returning the forms to the Cathedral office or filling out the internet form is **March 19, 2017**.

In addition to the survey, we will be conducting focus groups to allow you additional input. These are scheduled as follows:

Sunday, March 12 between services – Moderators: Monica Berner & Julia Harris
Thursday, March 16 at 1:00 after the Lenten luncheon – Moderators: Sisi Carroll & Keeley Kingsbury
Sunday, March 19 between services – Moderators: Donna Church & Jim Brown

It is imperative that we receive as many responses to this survey as possible so that we can develop the most accurate portfolio of our parish and criteria for our new Dean. Please take the few minutes required to help us with this task.

Faithfully yours,
St. Peter's Search Committee
