

SEARCH COMMITTEE UPDATE

The search committee has continued to meet on a regular basis and we feel we have made great progress. We are officially posting the position on the Episcopal Church's online job board starting in very early June, hopefully this coming week. Due to a general lack of priest candidates in the Episcopal church and also due the remote location of our Montana parish we do not expect a rush of applicants. We anticipate it will take some to time fill this position, perhaps even 12 to 18 months. Please keep praying for us and our parish that the right candidate for our church comes forward soon.

We are making the results of the parish Survey available to all members of the church. There will be a hardcopy posted in the parish hall. You can download it from the church's website - look for the link to download the survey. If you would like to have a copy emailed to yourself in order to print it and read it at home, please email Donna Gleaves in the office and she will forward it to you. admin@stpeterscathedral.net.

Don't hesitate to contact any of us on the search committee if you have any questions, comments, feedback or concerns.

Thank you all for your support of the search committee.

Yours in Christ,

Monica Berger, MD Chairwoman monica_berger@bcbsmt.com
