

What keeps us coming to Swiss Church

From comments and feedback YOU provided in 2015-2016 during our self-reflection process to identify who we are and who we strive to be

From chat groups and surveys:

CORE VALUES

(the "cream" on the top...)

- 1) Being around others, being social, being part of a meaningful group
- 2) Spiritual growth through collaboration & communication with each other and with church leaders
- 3) **INVOLVEMENT...** keeps us vibrant, engaged
