## Experience

### Owner & Freelance Designer

Teddycreates • Raleigh, NC

January 2015 - Present

Freelance design business providing creative services to a clientele base ranging from individuals and start-ups, to small and mid-sized businesses. Projects range from branding work to web, mobile and UX/UI design.

### Freelance Designer

MSA Marketing • Raleigh, NC

February 2017 - June 2017

Served as a temporary freelance designer on MSA's creative team working alongside the creative director on various design projects. Tasks included creating promotional and marketing material as well as branding work for various local clients.

### Design intern

Big Time Design Studios • Miami, FL

May 2015 - August 2015

Worked with various commercial and hospitality clients in the South Florida region to create brand experiences that were consistent with their business model. Tasks ranged from creating client branding and identity concepts to creating architectural CAD drawings and visual renderings.

### Design Intern

Collective Architecture • Washington, DC

August 2014 - December 2014

Served as an in-house designer working with local corporate and government clients on various design projects. Tasks included creating branding and marketing material, CAD drawings and visual renderings.

### Contract Designer

Zooted Delivery • Cincinnati, OH

September 2014 - January 2015

Worked as the lead designer for this early stage, food delivery start-up based out of Cincinnati. Tasks included everything from creating branding and marketing material to online and social media content.

### Design Intern

BHDP Architecture • Cincinnati, OH

January 2014 - May 2014

Served as an assistant designer working on a variety of commercial design projects in the Cincinnati-area. Tasks included creating branding and marketing material, CAD drawings and visual renderings.
