

Rosebery

Brief:

To build a quintessentially British premium cocktail bar experience using a vintage Routemaster bus.

Response:

3 months of design working with the client to then start producing the World's most glamorous mobile cocktail bar, premium materials are used throughout, lighting designs tested and high end functionality

hidden behind the scene make the Rosebery totally unique. Production took 18 weeks from start to finish, all completed on time for the Rosebery's first event in Cannes for Facebook.

Result:

The Rosebery now appears at some of the World's best events and parties.
