## H Unconscious Lens

Najib Aschrafzai, "Mystical Dream 1" (2014), silver gelatin print, 35 1/2 x 35 1/2 in, Unique (via [bosicontemporary.com](http://bosicontemporary.com))

When: Opens Wednesday, August 27, 6–9pm and closes Saturday, August 30

Where: Bosi Contemporary (48 Orchard Street, Lower East Side, Manhattan)

For four days only, Bosi Contemporary presents a **group exhibition** of six international artists who explore Freud's theory of the unconscious, whether through collage, photography, or video.

On opening night, there will be a performance of an aria from Umberto Giordano's opera *Andrea Chénier*, in which the singer confronts the worlds of reality and of dreams. —CV
