

## Glass Gathering Meeting Minutes

September 9, 2017 9:00 - 10:00

Generously hosted by Harmony Stained Glass, Pasadena, Texas

Events included an abbreviated business meeting with a glass activity following. 8 members were in attendance.

A short discussion of the changes proposed by the executive board for the annual art show was presented. The guidelines when finalized will be presented to the membership.

The members were polled regarding their preferences for the October field trip to Galveston. Because of the cost of providing a bus, it was decided that carpooling would be an alternative, or others may decide to meet the group in Galveston. Rene Armstrong and Sheryl Lambert will be asked to determine Galveston arrangements such as parking and restaurant.

The financial report was presented including a decision by the executive board to award a gift certificate to Glass Gathering members when they make a presentation to the group. Thanks to Richard Hinson for his presentation on art glass packing and shipping.

The meeting was adjourned so that members could participate in creating Christmas ornaments. One of the ornaments will be chosen by Joyce and an award given to the creator by Harmony Stained Glass.
