

Glass Gathering Meeting Minutes

December 9, 2017, 9:00 – 11:00 am, generously hosted by Harmony Stained Glass, Pasadena, Texas

December brings our annual Christmas party, complete with a White Elephant gift exchange. Plenty of food, fun and gifts both great and gag to go around. Plus a little stealing. Barbara, the club's co-president presided over our gathering. This was a good year for the club financially; Joanne gave us a positive Treasurer's report. Members proposed ideas for next year's meetings. Members were also notified that they will need to be prepared to vote at the January meeting on the Board's proposed changes to the annual May Art Show. Watch your email after the New Year for more information.

Until next month, have a blessed holiday season!
