

Transport to and from Woodhouse Grove

Road: Woodhouse Grove's postcode is BD10 0NR. It is situated on the A658 Harrogate road out of Bradford. You can find information here <http://www.woodhousegrove.co.uk/location/> (including a link to GoogleMaps). When you reach the school, follow the driveway (long!), bear left at the end and park in the car park next to Reception (cylindrical glass building – far right of the picture below).

Rail: The school is next to the newly opened **APPERLEY BRIDGE** train station, which is on the line between **LEEDS** and **BRADFORD FORSTER SQUARE**. On Sundays trains run hourly. You should book tickets through to Apperley Bridge, changing at Leeds (or less likely Forster Square). Please allow at least 15 minutes for this change. The best train arrives shortly before 5pm. The school is a short walk from the station. Cross the road outside the station using the pedestrian crossing and turn right. The school is now on your left, so follow the signs up the drive.

Air: Leeds Bradford Airport is less than 4 miles from the school. There is a taxi office directly outside the terminal building where you can book and pay for a taxi which you will be directed to. Please note that UKMT staff are not able to meet students at the airport.

Overleaf you will find a more detailed road map

Map of location – Woodhouse Grove is marked “A”
