Dear Parents,

Remember the carefree summers when you were a kid?

Would you like that kind of a summer for your child? Then look no further than Fun in the Sun - a summer camp for ages 5+ where playing is the priority. Fun in the Sun offers two convenient locations:

**Plymouth Meeting**
The Plymouth Swim Club (PSC)
1724 Gallagher Road
Plymouth Meeting, PA. 19462

**Mount Airy**
Unitarian Society of Germantown (USG)
6511 Lincoln Drive
Philadelphia, PA. 19119

At both locations, children can choose from a number of activities in the morning (specific activities vary by site). In the afternoon, USG meets up with PSC at the Swim Club where they eat lunch and have access to all of the amenities of the Swim Club. In addition, we explore a number of fun-filled spots throughout the area, by way of our weekly camp trips.

Our staff is highly experienced, and consists of teachers and wonderful counselors, many of whom were campers at Fun in the Sun as kids.
