MEMBER PROFILE

Founded in 1978, **Aero Trading Company** is proud to have grown to be one of the most diversified wild seafood buyers and processors on the coast of British Columbia. Our plants are QMP and HAACP certified and exceed the strictest federal government standards governing proper handling, processing and distribution to ensure that our valued customers can safely enjoy the best wild seafood that BC has to offer. Our ongoing success and growth are directly related to our dedication to our fishermen and our customers, and to ensuring that our products are harvested in a sustainable manner for years to come.

SEAFOOD PRODUCERS
-ASSOCIATION OF BRITISH COLUMBIA-

The Seafood Producers Association of British Columbia is an industry trade organization representing private companies that harvest, process and market all the main species of wild fish and seafood – more than 50 of them - caught in the pristine waters off Canada’s Pacific coast. We are the largest organization of processors on the west coast of Canada offering the finest and most diverse selection of wild seafood in the world. As the collective voice of our members, we are committed to promoting healthy and sustainable commercial fisheries, economic viability for our communities, competitive market positioning, and of course, premium wild seafood from the Pacific Ocean to customers worldwide.
