MEMBER PROFILE

CANADIAN FISHING COMPANY

For over 100 years, **Canadian Fishing Company (Canfisco)** has been harvesting, processing and marketing seafood. Canfisco, together with our subsidiary companies Alaska General Seafoods, Delta Pacific Seafoods, and Leader Creek Fisheries, is a socially responsible, dynamic and vertically integrated company which catches, processes and sells seafood products worldwide. Our fleet sustainably harvests seafood and we are committed to maintaining a healthy ocean environment. Our seafood products are processed in modern facilities which are certified at the highest levels by both regulatory and independent food inspection agencies to ensure our seafood products are both wholesome and top quality.

**SEAFOOD
PRODUCERS**
-ASSOCIATION OF BRITISH COLUMBIA-

The Seafood Producers Association of British Columbia is an industry trade organization representing private companies that harvest, process and market all the main species of wild fish and seafood – more than 50 of them - caught in the pristine waters off Canada's Pacific coast. We are the largest organization of processors on the west coast of Canada offering the finest and most diverse selection of wild seafood in the world. As the collective voice of our members, we are committed to promoting healthy and sustainable commercial fisheries, economic viability for our communities, competitive market positioning, and of course, premium wild seafood from the Pacific Ocean to customers worldwide.
