-ASSOCIATION OF BRITISH COLUMBIA-

The Seafood Producers Association of British Columbia is an industry trade organization representing private companies that harvest, process and market all the main species of wild fish and seafood – more than 50 of them - caught in the pristine waters off Canada's Pacific coast. We are the largest organization of processors on the west coast of Canada offering the finest and most diverse selection of wild seafood in the world. As the collective voice of our members, we are committed to promoting healthy and sustainable commercial fisheries, economic viability for our communities, competitive market positioning, and of course, premium wild seafood from the Pacific Ocean to customers worldwide.
