## MEMBER PROFILE

At **North Delta Seafoods**, we are a fourth generation fishing family with a tradition of fishing in the cool waters of the North Pacific. Fishing is the heart of our business so we are committed to providing only the freshest and most natural wild seafood products for our customers to enjoy worldwide. We own our fishing vessels, licences and quotas and therefore fully support sustainable fishing strategies to ensure the preservation and viability of our resource for the future of us all. Our detailed chain of custody makes us accountable to deliver excellence in quality from the fishing fleet and processing plant to packaging and final delivery to the customer.

**SEAFOOD  
PRODUCERS**  
-ASSOCIATION OF BRITISH COLUMBIA-

The Seafood Producers Association of British Columbia is an industry trade organization representing private companies that harvest, process and market all the main species of wild fish and seafood – more than 50 of them - caught in the pristine waters off Canada's Pacific coast. We are the largest organization of processors on the west coast of Canada offering the finest and most diverse selection of wild seafood in the world. As the collective voice of our members, we are committed to promoting healthy and sustainable commercial fisheries, economic viability for our communities, competitive market positioning, and of course, premium wild seafood from the Pacific Ocean to customers worldwide.
