

ORDINANCE NO. 742

**CITY OF MILLBRAE, COUNTY OF SAN MATEO
STATE OF CALIFORNIA**

* * *

**ORDINANCE TO ADD CHAPTER 6.05 TO THE MILLBRAE MUNICIPAL CODE
PROHIBITING THE DISTRIBUTION OF SINGLE-USE CARRYOUT BAGS AND PROHIBITING
THE FREE DISTRIBUTION OF RECYCLED CONTENT PAPER BAGS BY RETAIL
ESTABLISHMENTS AND TO AMEND SECTION 1.05.020 TO DESIGNATE ENFORCEMENT
PERSONNEL**

WHEREAS, it is the City's desire whenever possible to conserve natural resources, to reduce the amount of greenhouse gas emissions, waste, litter and marine pollution, and to protect the public health and welfare, including local wildlife, in order to increase the quality of life for Millbrae's residents, businesses and visitors; and

WHEREAS, numerous studies have documented the incidences of single-use carryout bags littering the environment, blocking storm drains that can cause flooding, and fouling beaches; and

WHEREAS, most single-use carryout bags do not biodegrade, but instead photo-degrade, enabling the bags to break down into smaller toxic pieces that enter the food web where animals mistake those materials for food. The ingestion of these bags can result in reduced nutrient absorption and death to birds and marine animals; and

WHEREAS, from an overall environmental and economic perspective, the best alternative to single-use plastic carryout bags is a major shift to reusable bags; and

WHEREAS, the City has determined that a minimum charge of \$0.10 per recycled content paper bag would cover the reasonable cost to a store providing the paper bags to its customers; and

WHEREAS, no portion of the charge for recycled content paper bags will be provided to the City so that the City will not receive any revenues from the collection of the paper bag charge; and

WHEREAS, other jurisdictions have required retailers to collect paper bag charges from their customers and these charges have proven very effective at generating a major shift in consumer behavior toward the use of reusable bags and have significantly reduced single-use carryout bag consumption; and

WHEREAS, customers can avoid this charge by using their own reusable bags; and

WHEREAS, in light of the foregoing, the City Council desires to institute three specific regulations in this ordinance. The first is to prohibit the use of single-use carryout bags by Retail Establishments, as defined herein. The second is to require Retail Establishments to charge a minimum of \$0.10 for each recycled content paper bag. The third is to require that Retail Establishments charge for the distribution of any reusable bag except during time-limited promotional events. The effective implementation start date is September 1, 2012; and

WHEREAS, the City Council will review the effectiveness of the Ordinance after one year of operation and determine if it requires further refinement.

NOW THEREFORE BE IT ORDAINED AS FOLLOWS:

SECTION 1. USE OF RESERVED CHAPTER 6.05 TO ADD NEW CHAPTER TO TITLE 6.
