

2016
ANNUAL REPORT

LOVE GOD

FROM THE PASTOR...

Each year we desire to publish an Annual Report in order to show you exactly what God has done in and through you as a church in the previous year. 2016 was an amazing year, as it brought about some exciting progress towards an even “Greater” future for In Focus. To that point, thank you for your patience in receiving this report. A lot of time and energy went in to getting us all informed about our new building project. God is always so gracious to us, and I hope this report encourages you about who we are and where we are headed in the future.

Numbers don’t tell the whole story but they do tell enough to encourage us and challenge us to fulfill our God given mission and vision. We are thankful for what we have here, but we know God wants more lives changed through the ministry of this church. We desire to see the most important numbers keep going up: salvations, baptisms, disciples, volunteers, givers, missionaries, and small group members. In order for that to happen we need to make room and keep preaching the Gospel.

I envision this church growing in influence and size not only at our current location, but also well beyond this area. We are already “reaching the world” and we are going to do it even more in the upcoming years.

We have taken some giant steps of faith as it relates to a building project. We have added new people to our staff. We have seen key areas of ministry grow and mature, and there is more to come. As I always say, our greatest years are still ahead of us. I truly believe we are going to grow “Greater” in every area of ministry.

I am honored and humbled to be your pastor and to lead such an amazing group of people like you, In Focus Church. Let’s pray and work to see these numbers continue to go higher and higher because they represent people’s lives. Thank you for your commitment to serve, give, go and grow. Let’s dedicate our lives to Love God, Love People and Reach the World!

“God has given us a vision of expanding our church in order to fulfill our mission to an even greater capacity. Through this report we can see what we have done, but we know there is more for us to do as a church. We also know God is going to help us accomplish whatever He starts, because He is a God who sees things through to the end.” - Pastor Brent Garrard

“being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.”
