Works well under pressure  
Technically minded  
Quick study, including new applications and new work atmospheres  
Expertise with InDesign, Illustrator, Photoshop, Office Suite, and others  
Vast knowledge of OSX and Windows

## WORK EXPERIENCE

Kind Brand Development, Denver, CO

**2016-Today** Graphic Designer  
It's all about people and finding the right solutions for them. My role is to design logos and other collateral for clients, working closely with the strategist.

The Campership Fund, Princeton, NJ

**2014-Today** Member of the Board of Directors and Graphic Designer, The Campership Fund  
The Campership Fund is a philanthropic organization that provides financial assistance to kids who need help getting to summer camp. The board approves applications for aid and works on new ways to raise money. In addition to my board activities, I help improve the design of different Campership Fund pieces.

Principia College, Elsau, IL

**2013-2016** Staff Council Member, Principia College, Elsau, IL  
The staff council is an elected body of staff members that runs the staff senate at Principia College. The council deals with staff related issues and helps keep the staff informed and in communication with the institution as a whole.

Community College of Aurora, Aurora, CO

**2012-Today** Contract Graphic Designer  
As CCA has needs above and beyond what their full-time staff can handle, they reach out to me for quality work with a quick turnaround.

Principia College, Elsau, IL

**2010-Today** Graphic Designer, The Principia, Elsau, IL  
As a graphic designer for Principia, I design posters, banners, digital assets, and other materials primarily for college, school, and corporate use. This work has given me hands-on experience with large format printers and digital presses. I also supervise student workers and other staff.
