As CCA has needs above and beyond what their full-time staff can handle, they reach out to me for quality work with a quick turnaround.

BOARD MEMBER AND GRAPHIC DESIGNER

The Campership Fund, Princeton, NJ

The Campership Fund is a philanthropic organization that provides financial assistance to kids who need help getting to summer camp. The board approves applications for aid and works on new ways to raise money. In addition to my board activities, I help improve the design of different Campership Fund pieces.
