## Camp Time

From the desk of Ben Rominske, minister

A little bit over a week ago, Abby and I got to help at Ohio Valley Christian Youth Camp's Junior Week session. We were tasked with being counselors and Bible class teachers. I tell you this not to brag, but so you can imagine just how much time we had around these kids. We slept in the same rooms as them, coached them in sports, taught them in classes, and a host of other things.

In classes we saw eager students who listened to the lessons and internalized what it meant to be a good example in every facet of 1 Timothy 4:12. In sports we saw some mischief (they are kids after all) but also a lot of sportsmanship and wholesome attitudes. In study and craft time we got to see young ones trying their best to memorize scripture, and many did!!

By far one of the favorite times of day for the kids was when the Pop Shack was open. They sold candy bars, pop (I'm not writing any other word for it), chips and other snacks. I don't have to say much more than cheap candy and Mountain Dew for you to imagine why they loved it so much.

I know I am still younger but it really is a blessing to get to interact with all these children from 7-12 years old. We learned from them maybe more than they learned from us with their excitement for class, love for God and others, good attitudes, and overall pure enjoyment of the time spent there. May we do better to be a little more like them (Matthew 18:3).

The staff we served with were also a great blessing. Abby got to make new friends and I got to reconnect with former teachers and others I had not seen in seven years! It was an exhausting time but a greatly edifying and encouraging time. Thank you.
