

Values

Biblical Truth

We believe that the Bible is the only source of truth that can help us to live the lives for which we were created.

Cultural Relevance

We believe that changing our methods without compromising our message is essential as we bring timeless truths to each new generation.

Outward Focus

We believe that reaching beyond ourselves reflects the value of people as well as God's desire to be in a relationship with every person everywhere.

Loving Community

We believe that loving and grace-filled relationships fill our need for connection and touch the heart of a broken world.

Faithful Prayer

We believe that faithful prayer and prayerful faith unleash the activity of the most powerful Person in the universe.

People Development

We believe that discipling people into their full potential as Christ-worshippers is the best way to expand God's influence in our world.
