NJOHSP**OFFICE OF HOMELAND SECURITY AND PREPAREDNESS**

2017 SPRING INTERNSHIP PROGRAM OPPORTUNITY

The New Jersey Office of Homeland Security and Preparedness (NJOHSP) offers internships to a select group of applicants. These are part-time, unpaid internships for college credit, located in either our Hamilton, West Trenton, or Newark office. The spring internship program runs from February 1, 2017 through April 29, 2017. The application package must be submitted by November 4, 2016.

Program Requirements*Students must:*

- currently be enrolled full-time in an accredited college or university;
- have completed a minimum of 48 college credits or two years;
- include a writing sample (not to exceed 500 words), resume, unofficial transcript and cover letter discussing why you wish to intern for NJOHSP with your completed application; a letter of recommendation is optional;
- undergo a Level 1 background investigation check;
- have U.S. citizenship or permanent residence status;
- be available for Orientation on **February 1, 2017 from 9:00am - 5:00 pm**;

Program Highlights*Interns will:*

- be exposed to all facets of the State homeland security and preparedness mission;
- interact with senior government officials and various government agencies;
- receive training and career development opportunities;
- have the opportunity to earn college credits, gain valuable work experience, and brief NJOHSP staff on the work they did over the course of the internship.

College/University Internship Requirements:

Area(s) you would be interested in working during your internship – choose up to 3 by marking a "✓". All located in Mercer County unless otherwise noted below:

Analysis Bureau: Produces accurate, timely, and actionable intelligence analysis that aims to detect and deter terrorist activity in New Jersey.

Collection & Dissemination Bureau: Aims to protect New Jersey residents and infrastructure by providing communities, the private sector, and federal, state, county and local law enforcement with information tailored to address a variety of hazards. The Bureau focuses on soft targets where many people gather, such as malls, casinos, stadiums and arenas. The Bureau encourages reciprocation and engages new partners, especially to increase suspicious activity reporting. As such, the Bureau manages a 24/7 CTWatch operation that works collaboratively with the state fusion center to gather, process and share Suspicious Activity Reports with law enforcement agencies at the local, county, state and federal levels.

Communications Office: Charged with engaging internal and external stakeholders to enhance the visibility and public awareness of NJOHSP's programs and initiatives.

Grants Management Bureau: Charged with the efficient and effective management and administration of federal and state homeland security grant funding to enhance New Jersey's capability to prevent, protect, respond, and recover from acts of terrorism and other catastrophic incidents.

Information Technology Bureau: Charged with managing all networks and computer systems at NJOHSP; including providing audio, video and programming services for in-house applications and Geographic Information Systems products.

Infrastructure Protection & Training Bureau: Responsible for developing, administering, and coordinating training and exercises for Homeland Security and Preparedness stakeholders, while supporting the protection, preparedness and resiliency of New Jersey's critical infrastructure and key resources through the implementation of the National Infrastructure Protection Plan (NIPP) in cooperation with federal, state, local and private sector partners.

Interoperable Communications Bureau: Responsible for managing and implementing the Broadband Technology Opportunities Program (BTOP) and JerseyNet – a mobile, deployable, and interoperable public safety broadband network for public safety first responders. Key partners are NJOHSP, the New Jersey Office of Information Technology, and the New Jersey State Police.

New Jersey Cybersecurity and Communications Integration Cell: Within NJOHSP's Cybersecurity Division, the New Jersey Cybersecurity and Communications Integration Cell (NJCCIC) is the State's one-stop shop for cybersecurity information sharing, threat analysis, and incident reporting, bringing together analysts and engineers to promote statewide awareness of local cyber threats and widespread adoption of best practices.

Operations Bureau: Detects and deters terrorist activity in New Jersey through intelligence collection and law enforcement strategies.

Preparedness Bureau (Newark, NJ): Monitors, researches, and analyzes relevant homeland security trends to implement strategic recommendations for enhancing the State's overall preparedness.
