

Durban Club, South Africa

About The Club

The Durban Club is situated on Durban's famous Victoria Embankment, adjacent to the old central business district, with glorious views of Durban Bay. Rich in Edwardian architectural detail, characteristic of the early 1900's, it is one of the city's most stately and attractive buildings. The Club is an oasis in the middle of the bustling city offering old-fashioned traditions of service, courtesy, comfort and charm and gives members an opportunity to relax and enjoy the beauty and fascination of a busy harbour. The atmosphere of the Club is elegant yet relaxed, sophisticated yet friendly, and it is viewed as a home-from-home by many of its members. The Club has reciprocity with over 109 Clubs world-wide, and it welcomes their members to use the facilities offered.
