**Mrs. Patricia McNich**

**Mrs. Patricia McNich** is a Physical Education teacher at Mayville Elementary School. She has provided extensive environmental opportunities through field trips for each grade, kindergarten through fourth grade, including an overnight trip with the fifth grade. Due to her efforts, a 15 acre outdoor laboratory was constructed and is maintained because of her efforts. She was the driving force in getting the outdoors laboratory certified as a %Wildlife Habitat+by the National Wildlife Federation. It is important to her that she incorporates environmental education into her physical education curriculum.
