About
the
EACC

The East Alabama Cycling Club welcomes bicyclists of all types and abilities. It started in the spring of 2003 with a primary focus to promote cycling in the area and push for a Rails-to-Trails restoration of the old railbed from Opelika to Lafayette and Roanoke known locally as the Johnny Ray.

On the 4th Saturday of September EACC hosts the Johnny Ray Century, a fully-supported bicycle tour on the low-traffic rolling hills of beautiful east-central Alabama counties. Proceeds always support a Parkinson's Disease foundation.

The Club meets on the second Monday of the month at the Church of the Highlands on Bent Creek Rd.

Meetings begin at 7:00 p.m. and cover a range of topics with guest speakers and workshops.

Our website — eastalabamacyclingclub.com — includes meeting and ride announcements, event photos, Facebook and Twitter feeds, and more.

Members enjoy discounts at local sporting goods and other establishments.
