CAN'T AFFORD A FLIGHT TO ROME? TRY: SPELLA CAFFE.

Andrea Spella is Portland's Zen master of espresso. No goofy, syrupy, flavored concoctions; \$20,000 robot coffee makers; or "foam art" here—Spella takes the classic approach, making his drinks with single-origin beans he roasts himself, a hand-pulled piston Rancilio machine and gentle delivery. Loyal customers have been known to walk from as far away as PSU to get their daily fix. *Southwest Alder Street and 9th Avenue, 421-9723. 9 am-4 pm Monday-Friday.*
