

Theresa Paulus, 2920 Commonwealth Avenue, received a slight flesh wound in the hip and was taken to the Grant Hospital where she remained several hours. The hospital bill was stated to be only \$3.00.

Mrs. Eta Natalsky, 2429 Lincoln Avenue, Chicago, Illinois, also received a bullet wound between the knee and the thigh. She was removed to the Columbus Hospital. The injury which she received is said to be inconsequential.

Special Agents of the Chicago Office have offered every possible assistance to the injured ladies, as well as to the families of these individuals. Both Theresa Paulus and Mrs. Eta Natalsky appeared to appreciate the attitude exhibited by the Chicago Office with reference to the injuries which they received at the time Dillinger was shot.

Photostatic copies of the coroner's report are being obtained and same will be transmitted to the Division at the earliest possible date.

Very truly yours,

S. P. Cowley
