\$10.000 Reward.

Police Chief Lee said there was \$10,000 reward for Kelly in connection with the Urschel kidnaping and \$5,000 reward in connection with the bank job. Who is entitled to the rewards has not been determined. The actual arrest of Kelly and the other three was made by Ser-geant Raney, Detective Sergeant Floyd Wiebenga, A. O. "Would you give a Lady a Lift?"

WHAT'S THIS? Beauty in distress! . . . Of course she'll get a "lift," but that's not the point. The young lady is struggling with a balky old car that she ought to trade in on a new one.

It's easy to own a big, smart De Soto. And what a thrill to drive a car that has Chrysler Motors engineering. There's real power, pick-up and speed in that 82horsepower engine! Take it through the Alleghenies or the Rockies . . . you'll climb most of them in high!

If you're planning to hit the highway for Chicagodo it in a De Soto. With Floating Power engine mountings...you won't feel so weary and worn out at night. And what a sense of safety De Soto's 4-wheel hydrau-

lic brakes give you and your family. Always equalized! You stop when you want to. You never have that panicky feeling of driving a car "out of control."

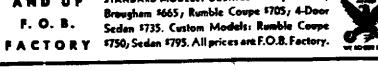

Actually there are 22 points where De Soto beats competition. Safety-steel bodies, for one thing. In certain competing cara, you get "wood-and-steel." Which do you think is stronger and safer? Steel or wood . . .

you decide! De Soto's Oilite Springs are squeakproof, Carbon-resisting valve inserts are another De Soto "exclusive." You won't have to worry about valve grinding for 30,000 miles.

Buy your next car . . . as you buy any other merchandise. Check up. Compare values. Go in and talk to a De Soto dealer. He'll give you the facts.

And prices? De Soto now sells for as little as \$665 f.o.b. factory, Detroit. It costs only about \$4 a week more to own a new DeSoto than the very lowest-priced cara. Think of it! For a big, smart De Soto Six! Come in today.
