

Worship Experience

It's what we're here for—help make Sundays Essential!

The Worship Team assists the Minister in providing spiritually nourishing worship services that are consistent with the values of our congregation.

We do this by helping to maintain a smooth flow of the service, by providing feedback for the minister, and by engaging speakers and handling the rest of the service on Sundays when the Minister is not in the pulpit.

While we provide for the leading of services when the minister is not present, if you “cannot speak before thousands,” there are behind-the-scenes opportunities, as well. Keeping our chalice lamp filled, our candles fresh and our ushers coordinated are all essential services! Some computer skills are a plus in coordinating the service elements.

If our Sunday services are important to you and you would like to find out more about making them happen, we'd love to have you on our team. Contact Joanna Bliss or Kristin Leesment to find out more.
