

Spread the Love.

**Because to know each other is to love each other.
Especially in the company of good food & beverages.**

The Fellowship Team provides a warm and friendly social environment where church members and visitors may experience the joy of being part of a community that cares for one another.

If you enjoy creating a space for people to just hang out together and enjoy each others' company, you will enjoy being part of the Fellowship Team. We set up Coffee on Sunday mornings, coordinate meals for Wonderful Wednesdays, assist with memorial or funeral receptions, organize the annual UUTC Picnic and encourage more informal gatherings through Fellowship On Tap. Fellowship supports UUTC's Mission by creating an environment where Members, Friends and Visitors can become comfortable with one another in the support of our individual spiritual journeys.

Members of this Team don't do all of the activities above—just the ones that best fit their creative gifts. We'd love to provide you with a place to share your talents! Contact Marilyn Miller or Ann Rabb to learn more!
