

# Welcome New Family!

## Building the Beloved Community Begins HERE.

The Membership Team supports individual spiritual journeys by greeting, welcoming, and supporting visitors; offering two membership classes annually; and assisting new members and friends in making connections and commitments.

Our Team greets everyone at the door on Sundays, sponsors monthly luncheons after the Sunday service, does record-keeping to assist the Minister and the Board in welcoming visitors, and actively seeks out visitors and members to talk with during coffee time to make sure that all feel welcomed. We work at noticing and reaching out when someone is missing for an extended time. Membership also creates the Member & Friend Photo Directory, helping everyone to remember each other more clearly.

Introverts, extroverts, ALLverts welcome! We have tasks for all talents! Contact Karla or Victoria to get started!
