

This is Your House.

Help keep it ready for your weekly gatherings!

The Facilities Team provides a welcoming building and grounds environment where members and visitors may experience beauty, serenity, and worship or quiet contemplation in surroundings created with respect for the integrity of our earth and its local ecosystems.

Whether you enjoy working inside or out, the Facilities Team would love to have you become part of the crew! We have campus work days spring and fall to maintain our building and grounds, but sometimes get together for additional projects that we feel help meet UUTC's Mission of support for individual spiritual journeys and social, economic and environmental justice.

If the environment is important to you, or you just like to help keep things "fixed," we would love for you to be part of our Team. Contact Lynn Halsey or Kay Webb to get started!
