### *Sample Vows 1*

"On this day, I give you my heart, my promise that I will walk with you, hand in hand, wherever our journey leads us, living, learning, loving, together, forever."

### *Sample Vows 2*

Kelly Ann, repeat after me. I take you, Vincent, this day as my husband. I promise to walk by your side forever as your best friend and your soul mate. You are my beloved one and I am proud to marry you. I promise to support your dreams and to be there for you all our lives.

### *Sample Vows 3*

Nicole, as my best friend, you make me happier than anyone else. You always support me and encourage me to be my true self. You have also helped me grow over the years, including overcoming my shyness, learning to like spicy foods, but most importantly, you've helped me become a man worthy of your love.

Nicole, as you already know, many times when you say to me "I love you" I will respond "I love you more". But what you probably didn't know is the reason why. The reason I say "I love you more" is because every new day that we're together, I fall in love with you more and more.

Nicole, on our wedding day, I promise to always be your best friend, to always be here when you need me. I promise to support, respect and honor you and be the husband you deserve. And I promise I will continue to love you more and more with each passing day as we grow old together.

The next few years will be bring even more changes and I can't wait.

And while our lives will change, I will always be there for you.

- I will be the one to keep you warm at night, but not too warm because heating is really expensive.

- I will be the one to make sure you don't go hungry, by picking up take-out when dinner doesn't come out like the magazine picture.

- I will be the one to make you feel good, by letting you think you really beat me in mini-golf on your birthday.

- I will be the one to make you laugh, even if it's at my own expense.

- I will be the rock, the man in your life. I will be sure to do manly things, like leave the toilet seat up, go golfing on Sundays and make up excuses to get out of household chores.

### *Sample Vows 5*

I love you. You are my best friend.

Today I give myself to you in marriage.

I promise to encourage and inspire you, to laugh with you, and to comfort you in times of sorrow and struggle.

I promise to love you in good times and in bad, when life seems easy and when it seems hard, when our love is simple, and when it is an effort.

I promise to cherish you, and to always hold you in highest regard.

These things I give to you today, and all the days of our life.

I choose you

to be no other than yourself,  
loving what I know of you,  
and trusting who you will become.  
I will respect and honor you  
Always and in all ways.  
With you I pledge to repair  
One small piece of the world.  
I take you to be my wife,  
To have and to hold.  
In tears and in laughter,  
In sickness and in health,  
To love and to cherish,  
From this day forward,  
In this world and the next.
