

*Curriculum Vitae*

**Joseph C. Franklin**

Florida State University  
Department of Psychology  
1107 W. Call Street  
Tallahassee, FL 32306

Email: jcfranklin@fsu.edu  
franjc1@gmail.com  
Website: PsyTAPLab.com

---

**EDUCATION**

Doctor of Philosophy in Psychology  
2013

University of North Carolina at Chapel Hill  
Chapel Hill, North Carolina

Master of Arts in Psychology  
2009

University of North Carolina at Chapel Hill  
Chapel Hill, North Carolina

Bachelor of Arts in Psychology  
2005

Wake Forest University  
Winston-Salem, North Carolina  
Magna Cum Laude, Honors in Psychology

**ACADEMIC APPOINTMENTS**

Assistant Professor  
Department of Psychology  
2016-

Florida State University  
Tallahassee, Florida

Assistant Professor  
Department of Psychology  
2015-2016

Vanderbilt University  
Nashville, Tennessee

Postdoctoral Fellow  
Department of Psychology  
2013-2015

Harvard University  
Cambridge, Massachusetts

Instructor  
Social Science  
2014-2015

Harvard Extension School  
Cambridge, Massachusetts

**HONORS AND AWARDS**

2016      Rising Star Award, Association for Psychological Science

2016      Advisory Board, National Veterans Foundation

- 2017-2018 National Institutes of Health Extramural Loan Repayment Renewal Award
- 2016-2017 National Institutes of Health Extramural Loan Repayment Renewal Award
- 2014-2016 National Institutes of Health Extramural Loan Repayment Award
- 2012-2013 Earl and Barbara Baughman Dissertation Award, *UNC Chapel Hill*
- 2011-2012 Graduate Student Research Mentor of the Year Award (2), *UNC Chapel Hill*
- 2009-2010 Graduate Student Research Mentor of the Year Award (1), *UNC Chapel Hill*
- 2009 Early Graduate Student Researcher Award, *American Psychological Association*
- 2009 Travel Award (Berlin, Germany), *Society for Psychophysiological Research*
- 2009 Summer Undergraduate Research Mentorship Award, *UNC Chapel Hill*
- 2008-2011 Graduate Research Fellowship, *National Science Foundation*
- 2007-2008 Merit-Based Graduate School Fellowship, *UNC Chapel Hill*
- 2001-2005 William K. Stamey Academic Scholarship, *Wake Forest University*

**Funded Grants**

- 2018-2020 Military Suicide Research Consortium Grant, US Department of Defense  
*Principal Investigator (Co-PIs: J.D. Ribeiro, C.G. Walsh)*  
*Amount: \$1,500,000*
- 2018-2019 Military Suicide Research Consortium Grant, US Department of Defense  
*Principal Investigator (Co-PI: J.D. Ribeiro)*  
*Amount: \$150,000*
- 2017 FYAP Office of Proposal Development, Florida State University  
*Principal Investigator*  
*Amount: \$20,000*
- 2015-2016 Military Suicide Research Consortium Grant, US Department of Defense  
*Co-Investigator (PI: J.D. Ribeiro)*  
*Amount: \$127,131*
- 2014-2015 Pilot Grant, American Foundation for Suicide Prevention  
*Principal Investigator*  
*Amount: \$28,269*

- 2014-2015     Research Grant, Foundations of Human Behavior Fund, Harvard University  
*Principal Investigator*  
*Amount: \$5,000*
- 2013-2015     Military Suicide Research Consortium Grant, U.S. Department of Defense  
*Co-Investigator (PI: M.K. Nock)*  
*Amount: \$777,564*
- 2013-2015     Ruth L. Kirschstein Postdoctoral National Research Service Award  
(1F32MH102928-01), NIMH (declined in favor of MSRC grant)
- 2010-2011     International Obsessive Compulsive Disorder Foundation Research Grant  
*Co-Investigator (PI: M.G. Wheaton)*  
*Amount: \$27,000*
- 2008-2009     Student Research Grant, International Society for Traumatic Stress Studies  
*Principal Investigator*  
*Amount: \$1,000*
- 2005-2007     Social, Behavioral, & Economic Sciences Research Fund, Wake Forest University  
*Principal Investigator*  
*Amount: \$3,200*

## **PUBLICATIONS**

### **Peer-Reviewed Journal Articles**

\*signifies student/trainee author

#### 2017 & In Press

- Hooley, J.M. & **Franklin, J.C.** (in press). Why do people hurt themselves? A new conceptual model of nonsuicidal self-injury. (in press). *Clinical Psychological Science*.
- Smith, A.R., Velkoff, E.A., Ribeiro, J.D., & **Franklin, J.C.** (in press). Are eating disorders and related symptoms risk factors for suicidal thoughts and behaviors? A meta-analysis. *Suicide and Life-Threatening Behavior*.
- Glenn, C.R., Kleiman, E.M., Cha, C.B., Deming, C.A., **Franklin, J.C.**, & Nock, M.K. (in press). Understanding suicide risk within the Research Domain Criteria (RDoC) Framework: A meta-analytic review. *Depression & Anxiety*.
- Franklin, J.C.**, \*Huang, X., \*Fox, K.R., & Ribeiro, J.D. (in press). What suicide interventions should target. *Current Opinion in Psychology*.
- \*Huang, X., \*Fox, K.R., Ribeiro, J.D., & **Franklin, J.C.** (in press). Psychosis as a risk factor for suicidal thoughts and behaviors: A meta-analysis of longitudinal studies. *Psychological Medicine*.

- Daniel, S.S., Goldston, D., Erkanli, A., Heilbron, N., & **Franklin, J.C.** (in press). Prospective study of major loss life events and risk for suicidal thoughts and behaviors among adolescents and young adults. *Suicide and Life-Threatening Behavior*.
- Cha, C.B., Tezanos, K.M., Peros, O.M., Ng, M.Y., Ribeiro, J.D., Nock, M.K., & **Franklin, J.C.** (in press). Accounting for diversity in suicide research: Sampling and sample reporting practices in the United States. *Suicide and Life-Threatening Behavior*.
- Walsh, C.G., Ribeiro, J.D., & **Franklin, J.C.** (2017). Predicting risk of suicide attempts over time through machine learning. *Clinical Psychological Science, 5*, 457-469.
- \*Huang, X., Ribeiro, J.D., \*Musacchio, K.M., & **Franklin, J.C.** (2017). Demographics as predictors as suicidal thoughts and behaviors: A meta-analysis. *PloS One, 12*, e0180793.
- Franklin, J.C.**, \*Fox, K.R., Ribeiro, J.D., & Nock, M.K. (2017). Understanding the context of novel interventions for self-injurious thoughts and behaviors: A reply to Nielsen et al. *Journal of Consulting and Clinical Psychology, 85*, 831-834.
- Franklin, J.C.**, \*Fox, K.R., & Ribeiro, J.D. (2017). How to implement therapeutic evaluative conditioning in a clinical setting. *Journal of Clinical Psychology, 73*, 559-569.

Franklin, J.C, & Franklin C.R. (2016-present). Therapeutic Evaluative Conditioning for Suicide/Self-Injury ("tec-tec"). Android version, available for free on the Amazon App Store ([entry linked here](#)). >1,000 downloads per year

## **PRESENTATIONS**

### **Invited Colloquia and Professional Presentations**

- 2017 FSU Psychology Clinic
- 2015 Vanderbilt University  
Florida State University
- 2014 Harvard University  
Vanderbilt University  
Yale University
- 2012 University of Virginia  
University of North Carolina at Chapel Hill
- 2010 Carolina Institute for Developmental Disabilities
- 2009 University of North Carolina at Chapel Hill
- 2005 Wake Forest University

### **Papers Presented at Conferences**

\* signifies student/trainee author

Franklin, J.C. (2018, April). *All data point toward a fundamentally new paradigm in suicide research, but it may be decades before we accept this*. Invited talk at the annual meeting of the American Association of Suicidology, Denver, CO.

Franklin, J.C. (2017, November). *Complexity: A core feature of a new suicide paradigm*. In J.C. Franklin (chair), Machine learning techniques accurately predict suicide ideation, attempts, and death: Implications for theory and practice. Symposium presented at the annual meeting for the Association for Behavioral and Cognitive Therapies, San Diego, CA.

- Walsh, C.G., Ribeiro, J.D., & Franklin, J.C. (2017, November). *Accurate prediction of suicide attempts with machine learning techniques*. In J.C. Franklin (chair), Machine learning techniques accurately predict suicide ideation, attempts, and death: Implications for theory and practice. Symposium presented at the annual meeting for the Association for Behavioral and Cognitive Therapies, San Diego, CA.
- Ribeiro, J.D., Franklin, J.C., \*Huang, X., & Walsh, C.G. (2017, November). *Machine learning accurately predicts suicide death: Evidence from a sample of over 500 suicide decedents and over 25,000 depressed controls*. In J.C. Franklin (chair), Machine learning techniques accurately predict suicide ideation, attempts, and death: Implications for theory and practice. Symposium presented at the annual meeting for the Association for Behavioral and Cognitive Therapies, San Diego, CA.
- \*Huang, X., Hom, M., Stanley, I., Franklin, J.C., & Joiner, T.E. (2017, November). *Using machine learning to test for distinctions among controls, ideators, and attempters*. In J.C. Franklin (chair), Machine learning techniques accurately predict suicide ideation, attempts, and death: Implications for theory and practice. Symposium presented at the annual meeting for the Association for Behavioral and Cognitive Therapies, San Diego, CA.
- Franklin, J.C. (2017, November). *The constructionist theory of suicidality: An evidence-based account of the causes of suicidal thoughts and behaviors*. In J.C. Franklin (chair), Challenging fundamental assumptions about the nature of suicide and suicide risk: Insights from machine learning studies. Symposium presented at the bi-annual meeting of the International Association for Suicide Research, Las Vegas, NV.
- Walsh, C.G., Ribeiro, J.D., & Franklin, J.C. (2017, November). *Harnessing large datasets to measure and predict risk of suicide attempts with machine learning*. In J.C. Franklin (chair), Challenging fundamental assumptions about the nature of suicide and suicide risk: Insights from machine learning studies. Symposium presented at the bi-annual meeting of the International Association for Suicide Research, Las Vegas, NV.
- \*Huang, X., Hom, M., Stanley, I., Franklin, J.C., & Joiner, T.E. (2017, November). *Machine learning accurately distinguishes between ideators and non-ideators (but traditional methods do not)*. In J.C. Franklin (chair), Challenging fundamental assumptions about the nature of suicide and suicide risk: Insights from machine learning studies. Symposium presented at the bi-annual meeting of the International Association for Suicide Research, Las Vegas, NV.
- Ribeiro, J.D., Franklin, J.C., & Walsh, C.G. (2017, August). *Predicting suicide death among hospital patients: An accurate and scalable approach to risk detection using machine learning*. In J.C. Franklin and A. Van Meter (co-chairs), We can do better: Novel approaches to improve the identification and treatment of suicide risk. Symposium presented at the annual meeting of the American Psychological Association.

Franklin, J.C. (2017, August). *Technology as a means for advancing the understanding, prediction, and prevention of suicide*. Invited talk presented at the MSRC-preconference at the annual meeting of the American Association of Suicidology, Phoenix, AZ.

Ribeiro, J.D., Franklin, J.C., & Walsh, C.G. (2016, October). *High accuracy suicide death prediction with machine learning*. In K.H. Bentley (Chair), Utilizing machine learning to improve the prediction and prevention of suicide and self-injury. Symposium presented at the annual meeting for the Association for Behavioral and Cognitive Therapies, New York, NY.

Franklin, J.C., (2016, May). *Advancing suicide risk detection and prevention*. Invited talk presented at the annual Yale NEA-BPD conference in New Haven, CT.

Franklin, J.C. (2016, March). *Using a mobile evaluative conditioning app to reduce nonsuicidal and suicidal self-injury*. Invited talk presented at the annual meeting of the Society for Affective Science in Chicago, IL.

Franklin, J.C., \*Fox, K.R., Franklin, C.R., Kleiman, E., Ribeiro, J.D., Hooley, J.M., & Nock, M.K. (2015, October). *A novel phone app substantially reduces self-injury, suicide plans, and suicidal behaviors: Evidence from three randomized control trials*. In J.D. Ribeiro (Chair), Advancing the prediction and prevention of suicidal thoughts and behaviors. Symposium presented at the annual meeting of the IASR/AFSP International Summit on Suicide Research, New York, NY.

Franklin, J.C., \*Fox, K.R., Ribeiro, J.D., Bentley, K.H., Kleiman, E., Chang, B.P., & Nock, M.K. (2015, October). *Risk factors for suicidal thoughts and behaviors: A meta-analysis of 50 years of research*. In J.D. Ribeiro (Chair), Advancing the prediction and prevention of suicidal thoughts and behaviors. Symposium presented at the annual meeting of the IASR/AFSP International Summit on Suicide Research, New York, NY.

Ribeiro, J.D., Franklin, J.C., Fox, K.R., & Nock, M.K. (2015, October). *Short-term prediction of suicidal thoughts and behaviors*. In J.D. Ribeiro (Chair), Advancing the prediction and prevention of suicidal thoughts and behaviors. Symposium presented at the annual meeting of the IASR/AFSP International Summit on Suicide Research, New York, NY.

Franklin, J.C., \*Fox, K.R., Harris, J., & Nock, M.K. (2014, November). *Suicidal Behaviors is associated with low implicit and explicit aversion to death/suicide stimuli*. In M. Prinstein (Chair), Measuring and predicting suicidal behaviors: New directions and innovative methods. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Franklin, J.C., \*Fox, K.R., \*Puzia, M.E., \*Lee, K.M., Prinstein, M.J., & Nock, M.K. (2014, November). *Re-establishing the instinctive barriers to nonsuicidal self-injury: Preliminary evidence for a new approach to treatment*. In K. Bentley (Chair), Utilizing technology to advance treatment for the range of direct and indirect self-injurious

behaviors. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Franklin, J.C. (2014, October). *Conditioning aversion to cutting stimuli: A new approach to nonsuicidal self-injury treatment*. In C. Schmahl and A Chapman (Co-Chairs), new approaches to nonsuicidal self-injury research. Symposium presented at the bi-annual meeting of the International Congress on Borderline Personality Disorder and Allied Disorders, Rome, Italy.

Franklin, J.C., Glenn, C.R., & Nock, M.K. (2014, May). *Meta-analysis of risk factors for suicidal behavior*. In I. Galynker (Chair), *Frontiers in suicide risk assessment*. Presented at the annual meeting of the American Psychiatric Association, New York City, NY.

Franklin, J.C. (2013, October). *Prepulse inhibition: An old measure in a new light*. In T.D. Blumenthal (Chair), Testing the “protection of prepulse processing” hypothesis of startle inhibition. Symposium presented at the annual meeting of the Society for Psychophysiological Research, Florence, Italy.

Franklin, J.C., \*Puzia, M.E., \*Lee, K.M., \*Chung, G., \*Hanna, E.K., \*Spring, V.L., & Prinstein, M.J. (2012, November). *Pain offset relief and the development (and reversal) of positive associations with nonsuicidal self-injury*. In J.C. Franklin (Chair), Discovering new mechanisms that underlie nonsuicidal self-injury and translating them into effective risk assessments and treatments. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.

Franklin, J.C., \*Puzia, M.E., \*Lee, K.M., \*Chung, G., \*Hanna, E.K., \*Spring, V.L., & Prinstein, M.J. (2012, September). *The nature, development, and reversal of positive associations with nonsuicidal self-injury*. In C. Schmahl & S. Misoch (Co-Chairs), *Self-Injurious behaviors*. Symposium presented at the bi-annual meeting of the International Congress on Borderline Personality Disorder and Allied Disorders, Amsterdam, The Netherlands.

Franklin, J.C. (2012, July). *Social stress, affect dysregulation, and physical pain: How the neural overlap among these three phenomena can help us understand nonsuicidal self-injury*. Presented at the annual meeting of the International Society for the Study of Self-Injury, Chapel Hill, NC.

Franklin, J.C., \*Shorkey, S.P., \*Puzia, M.E., Heilbron, N., & Prinstein, M.J. (2010, November). *Prepulse inhibition as a psychophysiological index of stress*. In J. Shih & R.P. Auerbach (Co-chairs), *Stress processes in depression*. Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.

Franklin, J.C., \*Hessel, E.T., \*Aaron, R.V., \*Arthur, M.S., \*Brandon, M.L., \*Hanna, E.K., Heilbron, N., Guerry, J.D., & Prinstein, M.J. (2009, November). *The acquisition and maintenance of non-suicidal self-injury: Psychophysiological support for a cognitive-affective regulation function*. In J.M. Hooley & M.K. Nock (Co-chairs), *New conceptual and methodological approaches to the study of self-injury*. Symposium presented at the

annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

Franklin, J.C., \*Hessel, E.T., \*Aaron, R.V., \*Arthur, M.S., \*Brandon, M.L., \*Hanna, E.K, Heilbron, N., Guerry, J.D., & Prinstein, M.J. (2009, June). *Psychophysiological evidence of a cognitive-affective regulation function of NSSI*. Symposium presented at the annual meeting of the International Society for the Study of Self-Injury, Long Island, New York.

Prinstein, M.J., Heilbron, N., Browne, C.B., Franklin, J.C., & Guerry, J.D. (2008, November). *Longitudinal associations between peer victimization and adolescents' suicidal ideation: The role of cognitive moderators*. Symposium presented at the annual meeting of the Association of Behavioral and Cognitive Therapies, Orlando, Florida.

### **Posters Presented at Conferences**

Citations available upon request – I am on somewhere between 10 and 50 posters per year, the most important of which eventually become published papers.
