

Trans* Empower Program

Program Overview:

Trans* Empower Program is tailored to address the needs of the transgender person that is seeking access to education and employment. This is an intensive case management program meant to address HIV risks in a new and innovative manner.

The Trans* Empower Program consist of a one hour visit with our case manager, during the process we assess your work place readiness, discuss issues of discrimination that Trans* people face, we help you establish short (3-month) and long term (6-month) goals and we link you a variety of services. You are not alone in this process; from beginning to end, the Trans* Empower Case Manager will work with you to achieve your employment and educational goals.

Job Readiness Workshops:

Whether you're looking for your first job, interested in changing careers or advancing in your current role, the St John's Trans* Empower Program can support you in accomplishing your goals.

The Tran* Empower Program is designed to aid you in your search for meaningful employment by providing job-readiness training, job search support, networking opportunities, and job search referrals catered to Trans* individuals.

Come and connect with fellow Trans* job seekers and receive support, insight and resources.

The workshop series is free!
