

Orlando Diocesan Council of Catholic Women
Board Report
Esteemed Life Member Award
January 14, 2017

My dear Council sisters and Spiritual Advisor,

It is once again time to nominate a member of council for the prestigious Orlando Diocesan Council of Catholic Women's Esteemed Life Member Award.

Qualification information will be mailed to ODCCW board members and affiliations in mid-February. This chair suggests deanery presidents encourage all affiliations to nominate a member of their council for this award.

The Orlando Diocesan Council of Catholic Women is and has been one of the strongest and most active councils in NCCW. There are many council sisters who are actively involved in council be it in prayer, time or treasure. Let us acknowledge these women of faith who are most deserving of this recognition.

Prayers and love to all as you meet.

Winkie
