

Tarrytown and Sleepy Hollow Farmers Market
Market Rules and Regulations 2018

Thank you for your interest in the 2018 Tarrytown and Sleepy Hollow (The TaSH) Farmers Market.

Tarrytown and Sleepy Hollow Farmers Market (hereafter, the Market) is a producer- oriented market operated by Rivertowns Village Green Inc. (RVG), a non-profit, 501(c)3 corporation and community-based organization. RVG's mission is to improve access to quality locally produced food; connect people and farmers; enhance public understanding of our food system; stimulate community conversation about sustainability, food, health and food justice; and serve as a village green for diverse community interests, activities and entertainment.

With live entertainment, children's activities and other special events, the Market also serves as a lively destination and gathering place that fosters community participation and promotes the cultural and commercial resources of Tarrytown and Sleepy Hollow to visitors. Through proactive collaboration with local government, businesses and community organizations, the Market provides a true "village green" atmosphere for Tarrytown-Sleepy Hollow civic life.

RVG is governed by a volunteer board of local citizens and employs a part-time Market Manager to run the day-to-day operations of the Market in conjunction with the board. The Market Manager represents RVG and is authorized to carry out market rules.

Location: The Market is held outdoors at Patriots Park, Tarrytown, New York

I. VENDOR SELECTION

- Interested vendors should submit an application to RVG for review no later than March 1. Vendors will be notified of their acceptance into the Market by April 1. Applications will also be considered throughout the market season if space is available.
- Once the application is approved, the vendor and RVG will enter into a binding contract which includes the application and a signed copy of these rules, indicating the vendor has read and will comply with them.
- Vendors are required to apply annually.
- Applications are available at [Manage My Market](#).

II. ELIGIBILITY TO SELL AT THE MARKET

- The Market is located on public property, where commercial activity is not normally permitted. The Market is permitted partly because the Rules and Regulations encourage local and regional farmers and/or producers to sell what they grow and produce.
- Vendors may participate in the Market only at the invitation of the RVG board. RVG is under no obligation to extend participation privileges to any vendor.
- The Market is a food-centered, producer-oriented market. Vending at the Market is restricted to those who are regional growers or producers of homemade products using regionally sourced ingredients. When ingredients cannot be sourced regionally, we seek vendors who source from sustainable, family-run farms and who add value through regional processing. All farm products must be grown or wild-gathered by the vendor within a 100-mile radius of Tarrytown, NY or anywhere in the state of New York.

Tarrytown and Sleepy Hollow Farmers Market Market Rules 2018

- In accepting vendors, preference is given to Certified Organic and farms who have taken the NOFA (Northeast Organic Farming Association) Farmer's Pledge. Any vendor claiming organic certification must display documentation. All agricultural vendors are encouraged to display information about their growing practices at their booth.
- Flowers and plants must be produced by vendor.
- With the application, all vendors will submit a list of the items they intend to sell throughout the season. If they wish to sell something not on the list, they will contact the Market Manager in advance of market day for approval.
- Re-selling of produce or other agricultural products, from another family-run farm may account for only 20% of a vendor's offerings and must be sourced within 100 miles of Tarrytown; re-selling from family-run farms must be pre-approved by the Market Manager; items not from vendor's farm must be clearly labeled with names and locations of the grower or producer. If sufficient quantities of a particular item are being sold by a producing vendor, re-selling of that item by another vendor is prohibited.
- No re-selling of wholesale produce or other agricultural products is allowed; evidence of this practice will be grounds for immediate removal from Market.
- Extreme price-cutting of first quality produce is prohibited. Special promotions and sales at the end of the market day are allowed. The Market Manager may intervene to settle disputes.
- RVG encourages vendors of prepared or processed foods to source ingredients from regional and/or organic producers.
- Crafts such as soap, wool products, bee products and other agriculturally related items are expected to be made by using locally grown or produced items. All other craft items are strictly prohibited except for special events and/or with express approval of the Market Manager.

- Weekly rate for a 10'x10' space is \$50/week. Each additional 10'x10' space is \$30.
