

Local Farmers + Vendors On the Go -- Week of 3/29/20

In light of COVID-19, many local farmers and producers are offering special delivery / to-go / takeout / preorder services. Following is a list of services currently being offered. Please note that this list is subject to change though we will do our best to keep it as up-to-date as possible. Please consider patronizing these businesses -- all of them are small business owners and it is a crucial time to support our local economy. Thank you! (*denotes known minimum for delivery).
