Work Experience

Punchcut | San Francisco, CA
Motion Design Intern Summer 2016

Collaborated with the incredibly talented team at Punchcut as a motion design intern working for some of the top tech brands in the world. Helped create animations, visual systems, and future focused platforms for the future of VR.

J. Walter Thompson | London, UK
3D Design Contractor Summer 2016

Contracted with JWT's London office to create a set of 3D visuals for one of their clients. Worked directly with their design team on a global marketing campaign that included online marketing, point-of-sale ads, and product samples.

Shutterstock | New York, NY
Design Intern Spring & Fall 2015

Worked with a wide variety of design and marketing professionals to create product launch materials, internal event assets, and marketing campaigns for Shutterstock's various brands. Praised for hard work, reliability, and efficiency.
