Once a dancer has completed the Intensive, they will receive a recommendation for fall placement. This will most likely be in our Block classes, our Jr. Apprentice program, our Pulse Company, or Frisco Team. We feel the time spent during Intensive gives the dancer an opportunity to see how they feel about the next level of dance at KJ and gives the KJ Director and staff an excellent opportunity to evaluate their readiness for advanced training.

If a dancer is offered placement in our Block program classes will be on Monday (4:30-7:30) and possible Wednesday (4:30-5:30) in Plano.

If a dancer is offered placement as a Jr. Apprentice classes will be on Monday (4:30-8:00) and Friday (5:30-7:30) on Plano.

If a dancer is offered placement within Pulse or the KJ Frisco Team she/he will be expected to attend summer classes, when in town and does not have a previous commitment. Once a dancer is accepted into Pulse or Team, final placement within that group will be made at the end of the Ballet Intensive, August 9-12th. At that time the dancer will be given their fall schedule and a copy of the Pulse Company or Team Contract, which needs to be signed and returned prior to the start of dance in August.

If you have questions about the time and financial obligations required to be a Pulse or Team member, please contact the studio office and we will be happy to talk to you.
