Brussels, 26-08-2016

**Construction Products Europe - Smart CE marking – 07/09/2016**

These last months Construction Products Europe developed the [smart CE marking concept](#) to improve the use of regulatory information from construction products.

We are organising this internal debate to discuss the implementation of this initiative and to get the feedback from the industry on key questions for its development.

Do not forget to **send this invitation to your experts working in CE Marking and IT.**

**Participants:** Members or associate members of Construction Products Europe and those experts they wish to invite.

**Date and time:** Wednesday 7th September 2016 from 11:00 to 16:00 (lunch will be provided)

**Location:** [Construction Products Europe](#) - Boulevard du Souverain 68, 1170 Brussels

**Registration & agenda:** Please visit [our website](#) where you will find the updated agenda and registration information. Please register before Monday 5th September.
