Praises – Rejoice with us!

- ❖ According to the Institute for Religious Freedom, as of July over 270 churches, synagogues, and other “religious buildings” had been destroyed by shelling in the invasion of Ukraine. So far, none of the churches built by BIEM have been destroyed. Since a good number of our churches are along the route the Russian army took towards Kyiv, this is remarkable. Praise God!
- ❖ This just in from overseas: “Praise God, a 50-year-old Afghani man put his faith in Jesus Christ last night in our refugee ministry in Central Asia.” Thanks be to God!
- ❖ Brother Tim, one of our missionaries based in the United States, will be making his 11th aid trip to Ukraine for the purpose of distributing humanitarian aid. These trips involve purchasing food and other needed items in Poland and then driving them across the border into Ukraine. These trips (which do not include our other container shipments) have provided over 50 tons of aid to Ukrainian churches that are distributing these goods.
- ❖ We thank God that the hardships and needs in wartime have galvanized many believers to step into ministry roles they never imagined in peacetime. This includes teens who are volunteering to serve God and neighbors through their local churches’ refugee ministries.

Prayer – Pray with us!

- ❖ Last month we requested prayer that our director for Ukraine, Eugene Buyko, would be able to visit the US for several weeks with his family. The Lord answered that prayer. The Buykos have blessed numerous churches with personal updates from their homeland. Please pray that BIEM will be able to bring additional Ukrainian missionaries to the US so they, too, can report directly to supporters.
- ❖ Please uphold in prayer our newest church planters, Sergiy and Karina Koop, as they continue to reach out to refugees and others in the Druzhba district of Ternopil. May God bless their ministry with more souls for the Savior!
- ❖ Churches in Ukraine continue to assist refugees who have been uprooted due to the war. Many displaced persons are hearing the Gospel for the first time as they seek food and shelter. Please pray for more to see their spiritual need and to accept Christ as Savior.

Please pray for the war to end soon. Several of our church planters express concern that, the longer the war lasts, the less likely it is church members who have evacuated to the west will return.

Dear friends, the invasion of Ukraine compels BIEM to take extraordinary measures. Please log onto our website, BaptistInternational.org, for information on BIEM’s War Relief Efforts. Thank you!
