\_\_\_\_\_

We are hoping to host other events besides just competitions; such events could be social outings, networking based, outreach, etc. Some ideas are below; please checkmark any that you would be interested in seeing next year. Feel free to use the lines to add your own suggestions.

- Construction site or facility tours
- Museum of Science & Industry trip
- Networking Reception with companies (accepting resumes)
- STEM outreach event at competition (for younger students)
- Bowling outing with professionals
