

Mailer I

Great Lakes Student Conference 2016

Dear Great Lakes Student Chapter,

Illinois Institute of Technology is proud to invite you to the 2016 Great Lakes Student Conference. In all of our years as a student chapter we have partnered with University of Illinois at Chicago to bring you this competition, and we are enthusiastic that for the first time ever we will be hosting it on our own!

We have a number of exciting events and locations lined up for the weekend that we hope will really showcase this amazing city we call home. With hosting an event in such a large city there are always added difficulties with keeping overall costs down; however, our team is actively working to give you the best experience possible with minimum increases to registration fees.

For further details about the competition, outside of this mailer, I encourage everyone to visit our website at glsc2016.org.

I look forward to seeing you all next spring!

Matthew Troemner
