Dear Great Lakes Regional Student Chapter:

This is your 2015 Great Lakes Student Conference Mailer IV, the fourth packet to be sent to each of the participating schools. Please read carefully through this packet and distribute copies to the appropriate chairpersons in your Chapter. Do not discard this mailer as it includes important information about registration and check in at conference. Enclosed you will find the following information:

- Maps of Check-In Locations and Parking Locations
- Tentative Conference Schedule (Some changes from Mailer III)

More detailed maps will be provided within the program that will be received at registration. Additionally, light refreshments will be provided at check in and registration, but we encourage you to explore the variety of restaurants in the Eddy Commons (a five minute walk south of Stinson Remick Hall) that should satisfy your tastes and budget.

If you have added any members to individual registration and have not contacted me, then please contact me as soon as possible. We have a limited number of tickets on sale for \$30 for the banquet for guests. If there are interested parties, please let me know as soon as possible.

For those competing in the Steel Bridge Competition, please know that you will need to carry bridge elements from the loading dock on the ground floor to the second story of the building. There will be elevators and carts available for transportation, as well as access to the aesthetics area via staircase. The aesthetics judging will occur on the upper level of Compton Family Ice Arena, and the construction and loading tests will occur below on the covered rink. Dimensions of the construction lane will be consistent with those prescribed in the 2015 NSSBC Rules.

If you have any questions, feel free to contact me. Additionally, questions and answers concerning the events, rules, etc. will be posted on our web site:

www.nd.edu/~glsc2015

We will do everything possible to answer your questions in a timely manner, and we look forward to seeing you in the spring.

Sincerely,
Quinn O'Heeney
Chair, 2015 Great Lakes Regional Student Conference
