

ASCE

Great Lakes Student Conference

Mailer One

September 11, 2017

Dear Great Lakes Student Chapter,

University of Illinois at Chicago is proud to invite you to the American Society of Civil Engineers 2018 Great Lakes Student Conference. While many students will remember coming to Chicago for GLSC 2016, we look forward to reintroducing returning participants and welcoming new ones to the “Windy City”.

This upcoming conference is especially exciting. We are expanding the number of competitions and adding new events. Participants will have even more opportunities to interact with students from other universities and network with conference sponsors. All of this will pave the way for new awards and even more chances to show school spirit!

With so many new things coming, it becomes even more important to hear from you. In an effort to create the best experience possible, we ask that you help us by providing feedback throughout the planning process. Attached to the Confirmation of Attendance form you will find a survey. We ask that you provide thoughtful feedback so that we may incorporate it into the conference.

The Confirmation of Attendance form, linked below, should be completed by Monday, October 9th, 2017.

Please direct any questions or comments to us directly and stay updated through the asceglsc.org website! Periodic announcements will be made there and through new social media platforms launching soon.

We look forward to seeing you in 2018!
