Communications Equipment

Other Communications Equipment

Manufacturer: Motorola
Model: SLR 5700

This high performing, highly reliable MOTOTRBO repeater is designed for an event of any scale.

Manufacturer: Telex

Telex / Zetron are the most capable and flexible dispatch consoles for events. Our consoles allow for the versatility of event only communication, as well as the addition of public safety networks. We deploy our dispatch solutions into the UCC or event management centers to integrate a complex network of resources into a single system giving operators an easy way to control multiple radio channels and informational assets from a touch screen. Our most recent deployments of these systems were at the Boston Marathon and NY Marathon.

DC Rentals offers a variety of other communication equipment such as mifis, satellite phones, cell phones. Please [contact us](#) for the most up-to-date offerings.
