DESTINATION HIGHLIGHTS:

- Arusha: The gateway to Tanzania's Northern wildlife parks, Arusha is also an eclectic town that melds local Tanzanian as well as European influences. Often called the "Switzerland of Africa", Arusha has beautiful museums and art galleries, as well as places to shop for local artwork (paintings, sculptures, masks) as well as jewelry (TANZANITE, etc.)
- Ngorongoro Conservation Area: Often called "The Garden of Eden" because of the variety and density of wildlife, the Ngorongoro Crater is one of the most breathtaking places in the world. It has been designated a UNESCO World Heritage Site – for good reason.
- Serengeti National Park: In the Maasai language, "Serengeti" means "Endless Plains". And that is exactly what this most famous of African parks is...a very large savannah/grassland area that is teeming with all the iconic African wildlife species living in an unadulterated, natural habitat. The location of several National Geographic as well as BBC Nature shows and specials, Serengeti is also home to The Great Wildebeest & Zebra Migration!
- Zanzibar Stone Town: Zanzibar's rich cultural history can be found in Stone Town. With a thriving local market, historical museums and other sites, and of course the world-famous Zanzibari doors, a tour of Stone Town is a feast for all the senses. A Spice Farm tour is a must-do for those who love food - aspiring chefs, avid gastronomists, and foodies.
- Zanzibar Beach: Zanzibar's coastal villages have some of the most beautiful white-sand beaches and turquoise blue waters in the world. You can go on an ocean safari – by snorkeling or diving the beautiful reefs around Zanzibar Island; or do nothing...and just relax on the beach, eat good food, and drink local, tropical cocktails or beers.
