DESTINATION HIGHLIGHTS:

- Cape Town: Also called “The Mother City”, Cape Town is a coming-together of cultures, cuisines and landscapes. Considered one of the most beautiful places in the world, there's nowhere quite like Cape Town, a singularly beautiful city crowned by the majestic Table Mountain National Park and flanked by the dramatic coastline and ocean.
- Cape Winelands (South African Wine Country): The “Napa Valley” of Africa can be found right outside Cape Town – and cities like Franschhoek and Stellenbosch coalesce the old world nostalgia with the new world luxuries in a delectable combination of wine, scenery, and fresh delicious food!
- Kruger National Park or a nearby Private Game Reserve (Sabi Sands, Timbavati, etc.): Not only have several Wildlife Specials (National Geographic, Animal Planet, BBC, etc.) been shot here, but some of the most popular wildlife videos on the Internet have been shot in and around Kruger National Park – the undisputed wildlife haven in South Africa. If you want to see Africa’s Big 5 Mammals (Lion, Leopard, Rhino, Elephant, and Buffalo) in their natural environment, then you must visit Kruger or one of the private reserves neighboring this national park.
- Victoria Falls (one of the Seven Natural Wonders of the World): Vic Falls is a waterfall in Southern Africa on the Zambezi River at the border between Zambia and Zimbabwe. It has been described by CNN as one of the Seven Natural Wonders of the world. While it is neither the highest nor the widest waterfall in the world, Victoria Falls is classified as the world's largest sheet of falling water. Victoria Falls is roughly twice the height of North America's Niagara Falls. The area around the falls is home to some of the iconic African wildlife species – Elephant, Hippo, Buffalo, Giraffe, Crocodile, etc.
