2018 Small Grants Program

The Society for the Study of Peace, Conflict, and Violence (APA Division 48) invites applications for small grants for research in peace psychology, development of peace psychology education programs, or community projects involving the application of peace psychology.

The purpose of this grants program is to foster the development of the field of peace psychology through research, education, and the application of peace psychology in community projects.

Grant applications may request between $300 and $1,500. Approximately half of the grants will be awarded to graduate students or persons within five years after obtaining a terminal degree.

Submission Deadline
Applications will be accepted through May 15, 2018 and the Division 48 Small Grants Committee will announce decisions by June 15. Information about the Small Grants Program can be found at: PeacePsychology.org/smallgrants2018
