Tea Forté

The Exceptional Tea Experience

Loose leaf blend tea in silk pyramids, simply the finest tea in the world.

EARL GREY - organic, black tea, robust - 3.95

A symphony of robust Assam leaves with a light liquoring of cold-pressed, Italian Bergamot citrus. Our blend of this classic tea has been carefully crafted to define how an Earl Grey should taste. Deeply aromatic with a bold flavor.

CHAMOMILE CITRON - organic, herbal tea, naturally caffeine-free - 3.95

A relaxing and rejuvenating blend of sun golden Egyptian chamomile blossoms and rose hips, balanced with meadow-sweet scents of lemongrass and mint. A delicate and soothing infusion for a delightful chamomile tea.

MOROCCAN MINT - organic, green tea, moderate caffeine - 3.95

Cooling and aromatic, this tea blends fragrant moroccan nana mint leaves and hand-rolled rare gunpowder green tea for a refreshing and heady cup. This steep is delicious hot or as an iced tea.

SENCHA - organic, green tea, moderate caffeine - 3.95

Produced for the Japanese domestic market, this superior grade sencha green tea is plucked in early spring. Steamed to yield a bright cup with soothing taste, fresh green vegetal notes and lively nutty tones.
